- **Do not touch the items** without permission from an auction administrator. Some items are fragile and others are "white glove only," so you should not touch them.
- The **Price** on the Sales Card is the price you pay (plus sales tax).
- Gather the items you wish to purchase, pay for them immediately, and take them with you.
- There are no "holds" of items while you decide whether or not to buy an item.
- We do not have facilities to keep purchased items for you.
- Sales tax of six percent (6%) will be added to all prices.
- There are no refunds for any reason. You are buying items "as-is."
